## INCREASE PUBLIC BUILDING, HOUSING, POST OFFICES

PLAN FUTURE TITOGRAD -- Zagreb, Narodni List, 17 May 51

The Federal Urban Office has worked out the general plan for the future Titograd. On the right bank of the Neretva River, where there is a large field today, there is to be a large city which will have about 60,000 inhabit-

The buildings in this future city will not be above six stories high. The main street is to be 37 meters wide and 1,800 meters long, and will extend from the railroad station. The plan includes the building of an opera house, drama theater, shops, concert halls, moving-picture theaters, banks, etc.

START HOUSING FOR ALEKSINAC MINE WORKERS -- Belgrade, Glas, 25 May 51

New housing for the workers at the Aleksinac coal mine was begun in 1947. To date, 51 apartment buildings have been completed and 14 are being completed.

Work on the new thermal power plant at the mine is also nearing completion.

EXPAND POSTAL NETWORK -- Zagreb, Vjesnik, 17 May 51

NAV

STATE

ARMY

Belgrade, 16 May -- In the first 4 months of 1951, 25 new permanent post offices were opened in large cities, industrial centers, etc., in Yugoslavia. In less that  $4\frac{1}{2}$  years, 790 permanent post offices were opened in Yugoslavia.

At the end of 1946, Bosnia - Herzegovina had 125 post offices, Macedonia 60, and Serbia with the Kosmet 294. This number has been increased threefold Yugoslavia now has a total of 3,816 post offices or one for each 4,143 inhabitants.
